

# Healing Cafe'

Dream by Abbot David Michael, 8 December 2013

This dream is extremely important for the future church to survive and is one of the most recent in a series of dreams I have had in recent years. It unfolds the plan of YHWH for the Melkizedek priests with the promise of protection from the evil forces who plague the earth. "Blessed are those who will hear the words of this prophecy and do them. Amen."

## The Dream

As I slept into the early morning on the 8<sup>th</sup> of December 2013 in a hotel in Fairplay, CO, I had a dream-vision where I found myself in a gathering of Melkizedek priests. While we were praying, I began to cry out in reaching out to YHWH with arms raised to heaven for God to lead me into the future.

As I cried and prayed, the room I was in began to change and turn red in color. The carpet turned red first then what little furniture there was in the room also changed to red. All began to turn red in the room except the walls that remained white. The others also with me in the room began to refer to the room as the red room in the dream.

## Red Room

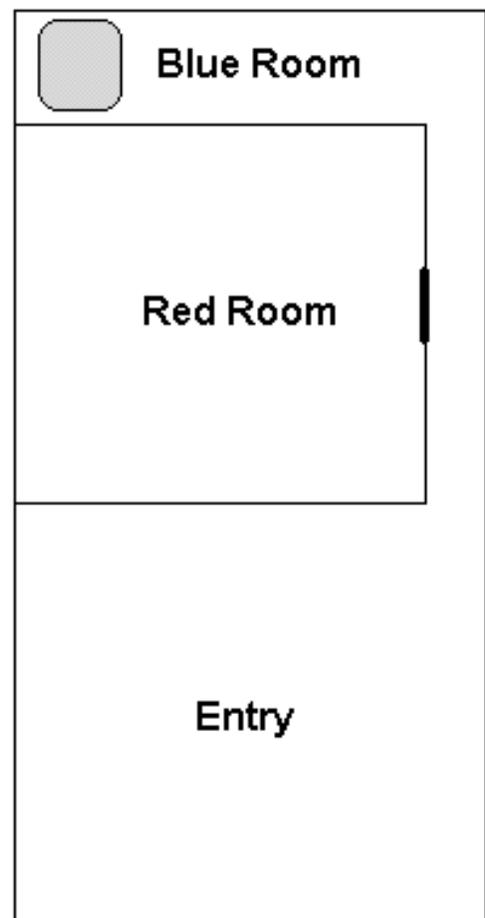

It was then shown that the red room was a holy place where the spirit of YHWH would dwell in exceptional power, wisdom and healing. The red color in the red room was symbolic of the blood of Y'Shua that was covering the place and would impact all who would enter into this room. It was the continual prayers of the saints in their good testimony of holiness and the blood of Y'Shua that overcame evil in this room as the room continued to be anointed with holy water, incense, prayers and praise. I knew it was a place of deliverance and healing from all that is evil.

All who entered the room would take their shoes off before entering in respect to what YHWH was doing there in being present in this room with an exceptional anointing. No one told them to do this, it just was done. The red room was a place where hidden sins were exposed by the Holy Spirit of YHWH and where demons and the fallen ones were expelled.

This was a room for deliverance and healing that was set apart as Holy by YHWH and washed by the blood of Y'Shua. As I looked again, I saw that the walls in the red room had the Stations of the Cross in showing the path Y'Shua walked to bring salvation to the world through his shed blood. I also saw at the far end of the room opposite the door on a small table the cup and plate with flat bread and wine in providing the Eucharist to all who were of repentant heart and were baptized.

Then I saw another miracle where the walls begin to be written with a blood red text as scriptures were written everywhere where there was white wall space to write. It was as if the blood red words seeped out of the walls as letters, words and then sentences. It was like God was creating 'holy word' wall paper.

As I read the words, I realized it was the Word of God citing all of the blood scriptures from Genesis to Revelation beginning on one wall across the room as you walked in and going to the right in covering all four walls ending with the last scriptures about the messiah and his blood shed written in the book of Revelation. The words were large enough to read from the other side of the room. As the sick and oppressed entered the room, they would begin reading and be delivered from their

bondage's and afflictions by the words of truth from the bible.

I also heard music being played and songs sang on the theme of the blood of Y'Shua in this room. This alternated with scriptures on the blood being read aloud so there was no time when the mention of the blood of Jesus was not being heard by all those in the room.

### **Hundreds of Healing Cafe's**

As I was partially awake but still very much aware of this room it turned into a vision. I rose above the room as if in flight high into the sky and saw a matrix of red dots across America. Hundreds of these Healing Cafe's were scattered across America.

I then heard the word 'Locust' and then saw the letters 'TN' and then 'AR'. Were these cafe's to become an escape from the locust of destruction and slavery sent out into the world by Satan? Or were they the locust sent in the end times by YHWH to bring judgment upon the world? What TN and AR means I am not sure. It seemed that they represented States but this is still in question. Perhaps they are an acronym for something else that will be revealed later. I wondered.

### **Service Room**

I was immediately flown back into the red room and walked through a door and found myself in the large entry area. I could look out the front window and realized this room was a store front in a town or city. In this entry area I now call the Service Room, I saw hot food and warm clothing being given out to people who came in from the street. I saw people sleeping in this room at night escaping from the cold of the streets.

I also saw books and bibles in this Service room that were given out to those who asked for them. It was a place for people to get off the street and out of the cold and into the safety of a protected place. I saw many people in this room chatting and enjoying each others fellowship.

### **Blue Room**

I then turned around and saw a hall running to the right of the red room. I wandered down the hall and glimpsed into another room at the end of the hall that was all blue in color. It was a very small room more like a wide hallway. It was just large enough to have a baptismal tank set up at the back of the room. I then realized the blue room was for baptizing those who would get saved, delivered and healed within this mission.

Upon later reflection, I have come to understand this is the model for the cities as an outreach in providing a place of deliverance, healing and safety for the needy who are seeking truth. These Healing Cafe's are to be established by the Melkizedek priesthood to serve the needs of many. Food, clothing, warmth and the word of God in deliverance at one-stop locations in towns and cities across America.

### **Locust**

The mystery lingering in my mind after this dream-vision was in the mention of locust, AR and TN which seemed to be out of place in the dream.

I then prayed for guidance for 7 months afterword and conducted research to try to better understand its meaning. I then discovered the following from the book of Joel who saw into the future an event that foreshadows the great 'Day of the Lord' that will soon bring judgment against the evil in this world.

In the book of Joel in chapter 2 begins with another warning that the terrible day of judgment called "the day of the Lord" is coming and that this locust horde is the dawn of this day of the Lord. "Let all the inhabitants of the land tremble, for the day of the Lord is coming, it is near, a day of darkness and gloom, a day of clouds and thick darkness."

Then in verses 3–11 Joel describes the locust horde again as a raging army with horses and chariots and warriors. Verse 3: "The land is like the garden of Eden before them, but after them, a desolate wilderness, and nothing escapes them." Verse 9, "They leap upon the city, they run upon the walls; they climb up into houses, they enter through windows like a thief."

And in verse 11 they are said to be the army of the Lord. "The Lord utters his voice before his army, for his host is exceedingly great; he that executes his word is powerful." Then for a third time the locust horde is described as the advance troops of the day of the Lord: "for the day of the Lord is great and very terrible; who can endure it?"

## **Locust from the Bottomless Pit**

Then I was led to the text about the locust in the book of Revelation 9:1-11 as the fifth trumpet judgment of the wrath of YHWH upon the earth. It would appear this is the same army of YHWH sent out upon the earth to bring judgment. We know this is after the mid point of the 7 year tribulation period since it is during the time of the pouring out of the vials and the blowing of the trumpets of the judgment of YHWH.

"Then the Fifth Trumpet angel sounded and I saw a star having fallen from heaven to the earth. To him was given the key to the bottomless pit. And he opened the bottomless pit, and smoke arose out of the pit like the smoke of a great furnace. So the sun and the air were darkened by reason of the smoke of the pit."

"Then out of the smoke locusts came upon the earth. And to them was given power, as the scorpions of the earth have power. They were commanded [by YHWH] not to harm the grass of the earth, or any green thing, or any tree; but only those men who do not have the seal of God in their foreheads. And they were not authorized to kill them, but to torment them for five months: and their torment was like the torment of a scorpion when it strikes a man. In those days men will seek death, and will not find it; and they will desire to die, and death will flee from them."

"The shape of the locusts was like horses prepared for battle. On their heads were crowns of something like gold, and their faces were like the faces of men. They had hair like women's hair, and their teeth were like lions' teeth. And they had breastplates, like breastplates of iron, and the sound of their wings was like the sound of chariots of many horses running into battle."

"They had tails like scorpions, and there were stings in their tails. Their power was to hurt men five months. And they had as king over them the angel of the bottomless pit, whose name in Hebrew is Abaddon, but in Greek his name is Apollo." Revelation 9:1-11.

Most think the angel controlling the bottomless pit is Satan but it is YHWH that controls the doors to the bottomless pit through his angels. In the book of Enoch, we find the biblical name of the archangel in charge of the bottomless pit and Tartarus .

"And these are the names of the holy [arch] angels who watch. Uriel, one of the holy angels, who is over the world and over Tartarus." Enoch 20:1-2.

I then realized that the locust are doing God's bidding and sent by YHWH and told to not harm those who gather around the protection of the 'Tabernacle' Red Room contained within the Healing Cafe's scattered across America during the 2<sup>nd</sup> half of the 7 year Tribulation period. This Melkizedek priesthood of course will be the sealed 144,000 prophets.

I could assume that TN and AR are the States where the Healing Cafe's are to be first founded but this is not clear to me at this time. These Tabernacles will be served by the Melkizedek priesthood in worship of YHWH and in fealty to Y'Shua as the King of Kings of the earth and heavens. However, we are not to use human understanding to interpret dreams. TN and AR are still unknown to me in this dream context.

I believe these locust armies of YHWH will be guided by the 4 winds under the command of Michael the Archangel. They will be in physical form and devastate anyone who opposes the priesthood of YHWH which by the time of the locust coming is when the 144,000 Melkizedeks are sealed and protected. Like the putting of the blood over the door posts in Egypt to stop the angel of death, the red rooms of the blood of Y'Shua will provide the some protection. This protection does not mean all of this priesthood will be safe since some of them [and us] are destined to be martyred so the innocent shed blood of the 'saints' can shorten the reign of evil in this world.

## **Calling of the Melkizedek**

Now we have the bigger picture. Not only is YHWH preparing protected farms and homesteads

far from the cities for the remnant church to be saved and fed, he is also wanting to establish store fronts in the cities to reach out to the needy in time of crises in bring them healing and deliverance.

All this is to occur BEFORE around the time of the coming Y'Shua who will at his coming gather the Antichrist forces at Megeddo for the final battle of Armageddon. The mission of the Cafe's are to be founded now and served by the Melkizedek priests as a Temple or Tabernacle where YHWH is present and then continue into the 2<sup>nd</sup> half of the Tribulation period when the 144,000 are sealed as the prophets of YHWH.

This is the mission! A very real mission for the Melkizedek for these end times. This is your mission should you choose to accept it. If you are called personally by YHWH to be a Melkizedek, this is your mission. Contact me if you believe you are so called. [info@glentivar.org](mailto:info@glentivar.org).
